ABOUT US

Since our founding in 2010, Pyramid has established itself as a trusted provider of technical and industrial solutions across Saudi Arabia and the UAE. We have built our reputation on reliability and commitment, offering a comprehensive suite of services including Industrial Trading, Equipment Rental, Project Maintenance, Manpower, and specialized support in Agriculture, Landscaping, and Transport. Our diverse expertise allows us to serve as a true turn-key partner for our clients' most vital projects.

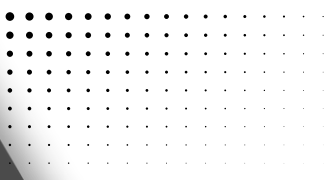

Our success is driven by a deeply embedded customer-centric approach and a commitment to our employees. By valuing the input of our skilled technical personnel, we foster a culture of excellence and innovation dedicated to a single mission: delivering real and measurable value. Pyramid is more than a service provider; we are a strategic partner equipped to ensure your success.

OUR VISION

To set the standard for excellence and become the most recommended name in contracting and trading across the region.

OUR MISSION

To be the trusted partner that delivers comprehensive, turn-key solutions, ensuring our clients' operational success and growth.

WHAT WE OFFER

INDUSTRIAL TRADING

Sourcing and supplying the critical materials and components that keep your operations running smoothly. We connect you with quality products from trusted global suppliers, tailored to your project's specific needs.

EQUIPMENT RENTAL

Offering a diverse and reliable fleet of industrial equipment for rent, ensuring you have the right tools to complete your project on time and on budget.

HDPE PIPES & FITTINGS

Premium HDPE piping systems for durable, leak-free fluid transport in industrial and infrastructure applications.

INTERIOR DESIGN

Transforming interior spaces through innovative, functional, and aesthetically driven design solutions for commercial and residential environments.

IT SOLUTIONS

Pyramid designs and manages secure, scalable IT environments that drive enterprise efficiency and growth.

AGRICULTURE AND LANDSCAPING

Delivering end-to-end solutions for both agriculture and beautification, from enhancing crop vitality to creating stunning, sustainable landscapes.

PROJECT MAINTENANCE

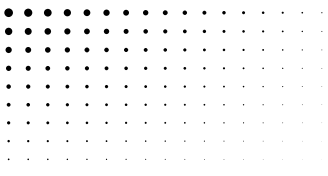

Ensuring the long-term integrity and performance of your assets through proactive, planned maintenance and swift corrective support.

HYDRAULIC SOLUTIONS

Pyramid provides end-to-end hydraulic solutions, from hose crimping and repair to a full range of components for reliable fluid transfer.

SCRAP

Transforming industrial by-products into value. We offer reliable scrap collection and removal, ensuring a cleaner, safer, and more profitable operation for you.

INDUSTRIAL TRADING

As a cornerstone of our turn-key services, Pyramid's Industrial Trading division operates as your strategic sourcing partner for the entire project lifecycle. We provide reliable, single-source access to a comprehensive portfolio of essential materials, ensuring nothing slows your progress. Our expertise spans from critical Safety Materials (PPE) and specialized Electrical & Instrumentation components to the core structural elements of Welding, Piping, and Civil Materials. By consolidating your supply chain, we guarantee quality, streamline procurement, and form the foundational support that keeps your operations running smoothly and safely from the ground up.

We enable seamless project completion, supplying everything from structural construction materials to final interior products. This end-to-end solution minimizes complexity, making Pyramid your single, reliable partner from foundation to finish.

AGRICULTURE & LANDSCAPING

We provide comprehensive solutions for modern agriculture and landscaping, offering everything from innovative irrigation systems and mechanized farming equipment to quality seeds, fertilizers, and landscaping materials. Our product range ensures optimal growth, efficiency, and sustainability for farms and gardens alike.

Our Product Categories Include:

- **Irrigation & Automation:** Drip lines, sprinklers, valves, and controllers for optimized water management.
- **Farming Equipment:** Tillers, planters, and harvesters for mechanized agriculture.
- **Growth Inputs:** Quality seeds, fertilizers, and soil amendments for maximized yields.
- **Landscaping Supplies:** Gardening tools, shade nets, fabrics, stones, and tiles.
- **Piping Systems:**
 - PE Pipes & Fittings: Durable, flexible pipes with barbed and compression fittings for efficient water transport.
 - PVC Pipes & Fittings: Rigid, corrosion-resistant pipes with elbows, tees, and adaptors for reliable connections.
 - Fusion Technology: Butt and electro-fusion fittings for strong, leak-proof joints in high-pressure systems.

EQUIPMENT RENTAL

Pyramid is providing the equipment rental services with new fleets of equipment which enhance the client work and achieving the targets on time. Our equipment's are operated by experienced operators having knowledge of safety and technical aspects and they are well trained operators at kind of environment.

We offer equipment across the following categories:

MANLIFT	GENERATORS
SCISSOR LIFT	TELEHANDLER BOOM LOADER
CRANE	TRAILER (LOW BED & FLAT BED)
DUMP TRUCK	WELDING MACHINES
BOOM TRUCK	AIR COMPRESSOR
FORK LIFT	TOWER LIGHT
EXCAVATORS	DIESEL TANKER
BACKHOE LOADERS	WATER TANKER
LOADER	SWEET WATER
PICK UP SINGLE AND DOUBLE CABIN	SKID STEEL LOADER ROLLER

PROJECT MAINTENANCE

COMPREHENSIVE SUPPORT FOR OPERATIONAL EXCELLENCE

Our Project Maintenance division provides integrated, turn-key solutions to ensure the continuous and efficient operation of your assets. We go beyond simple repairs to offer a holistic service that combines skilled Manpower Support and dedicated Transport Services. This means we not only supply the right technical expertise for the job but also ensure our teams and necessary materials are on-site precisely when and where they are needed, guaranteeing a swift and responsive service.

HDPE PIPES & FITTINGS

Pyramid provides premium High-Density Polyethylene (HDPE) piping solutions designed for longevity, flexibility, and leak-free performance in demanding industrial and infrastructure applications. Our comprehensive range ensures efficient fluid transport for irrigation, water supply, and industrial systems, backed by expert technical support.

Our HDPE Solutions Include:

- HDPE Pipes (13mm - 1200mm):
 - Superior corrosion and chemical resistance
 - Exceptional flexibility and impact strength
 - Designed for high-pressure applications
 - Long service life with minimal maintenance
- Complete Fitting Systems:
 - Barbed and compression fittings for secure connections
 - Butt fusion fittings for permanent, monolithic joints
 - Electrofusion fittings for precision high-pressure applications
 - Full range of elbows, tees, reducers, and adaptors

LEAK-FREE SYSTEMS

COST-EFFECTIVE

EXPERT SUPPORT

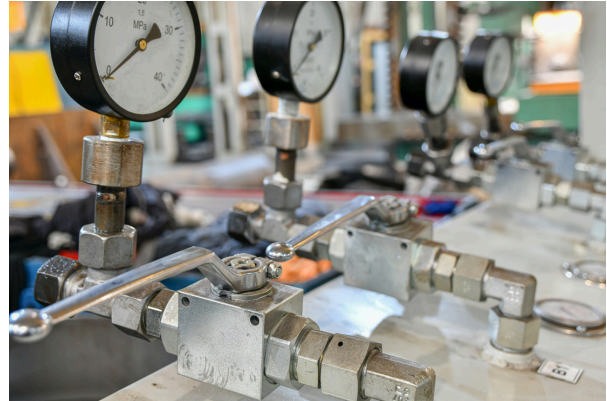

QUALITY ASSURANCE

Pyramid's HDPE solutions represent the smart choice for modern piping infrastructure, combining innovative material science with practical engineering excellence for systems built to last.

HYDRAULIC SOLUTIONS

Pyramid delivers end-to-end hydraulic solutions, specializing in hose crimping, custom assemblies, testing, and repair to ensure operational reliability. Our comprehensive portfolio includes **industrial hoses, couplings, valves, fittings, and clamps for all fluid transfer needs.**

Built on uncompromising quality, we provide durable, efficient systems to power Saudi Arabia's critical industries with precision and expertise.

IT SOLUTIONS

Pyramid provides integrated technology solutions that form the backbone of the modern enterprise. We design, implement, and manage secure, scalable IT environments that drive operational efficiency and strategic growth across all your business functions.

UNCOMPROMISING QUALITY & RELIABILITY

Our "Quality-First" policy is embedded in every project phase, from meticulous material sourcing to precise execution. We are committed to delivering durable outcomes and enduring value that exceed the highest industry standards.

SAFETY AS A CORE VALUE

The well-being of people and the protection of assets are non-negotiable. Our stringent, proactive safety protocols ensure every project is conducted with zero harm to our team, our clients, and the environment, making us a partner you can trust.

INTEGRATED, TURN-KEY SOLUTIONS

As your single-source provider, we streamline your operations. Our unique ability to manage interconnected services from equipment rental and manpower to project maintenance and material supply eliminates coordination headaches, ensures seamless execution, and guarantees accountability.

CUSTOMER-CENTRIC PARTNERSHIP

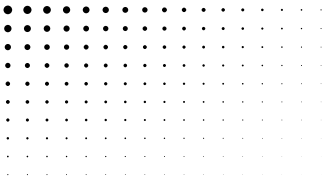

We listen first and then deliver. Our approach is built on deep collaboration, ensuring our solutions are tailored to your specific challenges and goals. Your success is the ultimate measure of our own.

EMPOWERED & EXPERT PEOPLE

Our greatest asset is our skilled team. By investing in continuous training and valuing their input, we foster a culture of innovation and problem-solving that directly benefits your projects.
